

The DETECTO® Doctor's Office

Eye-Level Physician Scales DETECTO Model 439

The standard of the clinical weighing industry, these scales feature height rods, durable metal construction, and the die-cast weigh beams are readable from both sides.

Step-On Cans DETECTO Model P-24R

As the name implies, these rugged waste receptacles are strong enough to stand on. They come with free infectious and hazardous waste adhesive labels in a variety of can sizes.

Latex Glove Box Holders DETECTO Model GH2

Conserve counter space and keep health supplies organized in a convenient fashion with these latex glove box holders which hold two boxes of gloves in a see-through open design.

All USA-Made Products

Since 1900, DETECTO has been America's name brand for clinical industry scales, in addition to related medical products such as waste receptacles and latex glove box holders. For more info on Detecto products, please call (800) 641-2008 or visit us online at www.Detecto.com.
