Scale Attachments

Penn Scale Manufacturing Company produces a variety of hanging scale attachments to satisfy a wide range of needs. Made to the same exacting standards as our scales, these high quality products add versatility to your hanging scale.

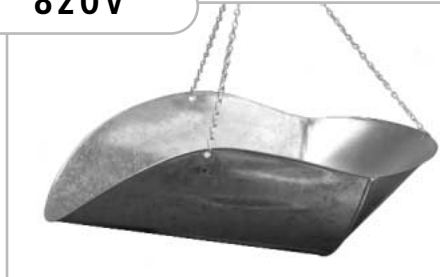

1030V

DEEP SCOOPS

1030V/1060V Deep Scoops: Made from heavy-gauge galvanized steel, these scoops are designed to handle heavy loads no matter what the product.

820V

VEGETABLE SCOOPS

820V Vegetable Scoops: Strongly constructed out of galvanized steel, these scoops are good for weighing everything from apples to zucchinis.

SQUARE PAN

1060S Square Pan: This galvanized steel pan, made with three sides turned up, is permanently riveted to the heavy steel frame to withstand rough usage and harsh environments.

1060S

DEEP PANS

820FS/1030FS/1060FS: Held by sturdy bows of cold rolled steel, this removable pan allows for drainage of excess liquid. The 820 & 1030 are made from aluminum, while the 1060 is constructed of stainless steel. Stainless steel bows are also available on all models.
